

St John The Evangelist, Poulton.

Monthly website report: February 2017

30 January - 28 February 2017: total visits = 1,225

Year-to-date (1 January - 28 February) = 2,503 visits.

This report takes into account the fact that the previous report went up to 28 January given the timing of the last meeting. As a result, this report takes includes the final two days of January as well as all of February.

Average time spent on the site was 32 seconds in January. Eighty nine percent of visitors spent up to one minute on the website. Nine percent spent between one and ten minutes on the site.

Top visits this month from United Kingdom (59%) followed by Washington (9%) followed Virginia (6%) and China (6%). Interestingly, given the visits in previous months, traffic from Germany was only 0.88%.
